## WHO WE ARE

## Three decades in the Byadgi chilli belt

MKB Enterprises is a family-run spice manufacturer and exporter based in the APMC yard at Byadgi, Haveri district, Karnataka - the world's largest dried red chilli market. What began as a local trading initiative over 35 years ago under Murtuja Khalilsab Belavagi was formally incorporated as MKB Enterprises in 2012.

The business is now driven by the next generation: Sameer Murtuja Belavigi leads purchase and overall work management, while Mohin Murtuja Belavigi runs manufacturing. Every stage - sourcing, sun-drying, grinding, grading and packing - happens on premises we solely own, which is how we hold quality and delivery commitments on container-scale orders.

### Direct farmer sourcing

Bought at the source in Byadgi and Guntur - no intermediary layers between farm and mill.

### Quality assurance

Moisture, colour and pungency checked lot by lot before a batch enters the grinding line.

### High-capacity processing

15 tons of chilli powder every 24 hours, with export-ready 30 kg packing.

## WHAT WE SUPPLY

# Chilli, turmeric and ginger

Whole, cut, crushed and powdered - packed to your grade, mesh and branding.

## Chilli

Byadgi and Guntur varieties, prized for deep colour value and balanced pungency.

### FORMS

Whole dried chilli · Crushed chilli / flakes · Premium chilli powder

### SPECIFICATIONS

- Stemless and with-stem grades
- Sun-dried in our 2-acre yard
- 30 kg export bags, 3,000 per batch

## Turmeric

Whole fingers and powder processed on a dedicated, world-class turmeric machinery compartment.

### FORMS

Whole turmeric fingers · Cut piece turmeric · Turmeric powder

### SPECIFICATIONS

- High curcumin, bright natural colour
- Cross-contamination-free line
- Custom mesh sizes on request

## Ginger

Farm-sourced dry ginger cleaned and graded for food processors and institutional buyers.

### FORMS

Whole dry ginger · Dry ginger cut piece · Ginger powder

### SPECIFICATIONS

- Sorted and cleaned before dispatch
- Aroma-retaining controlled grinding
- Flexible MOQ for trial containers

## INFRASTRUCTURE &amp; CAPACITY

## Built to fulfil container-scale orders

Sourcing, drying, grinding, grading and packing all happen on our own premises in Byadgi.
